

## Chris Skinner

Finance and Banking Expert

*"One of the most authoritative voices on Fintech"*

Chris Skinner is known as one of the most influential people in technology, and as an independent commentator on fintech through his blog, the Finanser.com. He helped to found one of the first mobile banks in the world, and has advised CEOs and leaders from every continent of the world including the United Nations, the White House, the World Bank and the World Economic Forum.

### IN DETAIL:

Chris Skinner is a non-executive director of 11:FS and WP Communications and also on the advisory boards of many FinTech and financial firms including WebAccountPlus. He is a visiting lecturer with Cambridge University as well as a TEDx speaker. In recent years, he has been voted one of the UK's foremost fintech observers by The Telegraph, one of the most influential people in financial technology by the Wall Street Journal's Financial News and Thomson Reuters, one of the most influential people in banking by The Financial Brand (as well as one of the best blogs), a FinTech Titan (Next Bank), and one of the Top 5 most influential people on BankInfoSecurity's list of information security leaders.

### WHAT HE OFFERS YOU:

Chris shows how the rapid pace of change and tomorrow's technology must inform today's business strategy. His keynotes focus upon the key current trends and future scenarios for areas of financial services, across retail and investment markets and payments.

### HOW HE PRESENTS:

Chris' energy, drive and enthusiasm for innovation and change impress his audiences. His insights into financial services and his contribution to this industry will continue to pay dividends over many years.
