### LANGUAGES:

He presents in English, French and Bengali.

### IN DETAIL:

Dhiraj built Shazam from the original idea into an iconic global brand with over 2 billion downloads. He led Shazam's successful launch, navigated two financial crises, raised tens of millions in funding, and learned all about hypergrowth. He was named one of Europe's Top 50 technology entrepreneurs by the Financial Times. Since Shazam's sale to Apple for a reported \$400M, he has invested in many high-growth start-ups and scale-ups, including Open AI the makers of CHAT GPT. Dhiraj's expertise is building adaptable organisations ready to create an inflection point in the future. Earlier in his career, Dhiraj has advised dozens of blue-chip companies including PWC, Unilever, UBS, Eli Lilly, Citibank, and Intel. He has an MBA from Stanford Business School and a BA from Dartmouth College.

### WHAT HE OFFERS YOU:

Dhiraj provides unique insight from his global network of high-profile founders, corporate leaders, and two decades of entrepreneurship experience building and exiting Shazam. His speaking style is personable and relatable, guiding audiences to embrace change and dream big. Learn how Dhiraj can change your outlook and motivate you to shape the future.

### HOW HE PRESENTS:

Dhiraj's presentations, filled with his infectious entrepreneurial spirit are fascinating and highly inspirational. A charming, witty, and genuine speaker, Dhiraj knows exactly how to captivate his audience.
