IN DETAIL:

Haiyan Wang received a bachelor's degree in Economics from the Shanghai Institute of Foreign Trade and a master's degree in International Business from the University of International Business and Economics in Beijing. She also holds an M.B.A. from The University of Maryland at College Park. Her opinion pieces have appeared in top international media such as *The Wall Street Journal*, *BusinessWeek*, *CEO Magazine*, *The Economic Times*, *China Daily*, *The Times of India*, as well as other outlets. In the late 1980s, she worked for Minmetals, one of the 20 largest enterprises in China and a global Fortune 500 company. In the US, she began her career working as a management consultant with Kepner-Tregoe, Inc. and served as Director of Business Development at E-Steel Corporation. She also served as a senior marketing and operations executive at PTI Inc.

WHAT SHE OFFERS YOU:

Haiyan Wang presents an insider's perspective on how people from various social layers of China see the shifting landscape and their role in it. She will bring alive the hot button issues facing people from different walks of China that matter to government and business decision makers both within China as well as outside. Drawing on her broad international experience, she consults with clients and speaks at conferences on building and exploiting global presence, especially in China.

HOW SHE PRESENTS:

Shedding light on the brutal competition for today's markets and resources in China and India, Haiyan Wang's fascinating and informative presentations give deep understanding and insight in a clear and easily digestible style.
