### IN DETAIL:

Jiang began his career in the corporate world after which he took a life-changing risk stepping into the unknown world of entrepreneurship. His result was everyone's biggest fear: rejection. To conquer the fear of rejection, Jiang embarked on a personal quest and started a blog, 100 Days of Rejection Therapy. His journey revealed a world that was hidden in plain sight -- a world where people are much kinder than we imagine. He discovered that rejection can be much less painful than we believe and that the fear of rejection is much more destructive than we know. Jiang holds a Bachelor of Computer Science from Brigham Young University and a Master of Business Administration from Duke University.

### WHAT HE OFFERS YOU:

Jia Jiang is a keynote speaker on Emotional Intelligence and Overcoming Failure/Rejection, providing inspiration and tools for people and organisations to become courageous through rejection training. Jia adventures boldly into a territory so many of us fear: rejection. Jiang desensitised himself to the pain and shame that rejection often brings and, in the process, discovered that simply asking for what you want can open up possibilities where you expect to find dead ends.

### HOW HE PRESENTS:

Jia's effervescent enthusiasm and inspirational speeches capture the imagination of audiences all over the world. Some people have changed their whole lives after listening to Jia.
