WHAT SHE OFFERS YOU:

Sussed, polemic, deceptively droll, with a razor-sharp perspective on all that is sexist and "sizeist", Jo's popularity is well deserved. In her performances, she tackles things that irritate her most, questioning the logic behind such diverse topics as teenage boys, keeping fit and sex. Jo Brand is an outstanding corporate speaker, brilliant event host and side-splitting after dinner speaker.

HOW SHE PRESENTS:

Jo is incredibly funny and a brilliant entertainer. Her inimitable style makes her highly sought after and in great demand at diverse events across the country. Having been a nurse, Jo feels that she likes people and likes nothing more than being able to have a chat with them whilst on stage.
