LANGUAGES:

He presents in English.

PUBLICATIONS:

2020 The Phoenix and the Unicorn

2014 The Network Always Wins

2010 The New Normal: Explore the Limits of the Digital World

2008 Business/IT Fusion

IN DETAIL:

Peter has a master's degree in Telecommunications and Electronic Engineering from Ghent University, Belgium. After graduating he joined Alcatel Telecom working in the Multimedia Research Centre. He collaborates with organisations in the areas of IT Strategy, Transformation, Fusion and Coaching around the world. Peter lectures at various business schools in Europe like the London Business School, is a Senior Industry Fellow at the 'Center for Digital Transformation' of the 'The Paul Merage School of Business' at UC Irvine and functions as a board advisor on disruptive and digital innovation. His current company nexxworks helps organisations become fluid, innovate and thrive in "The Day After Tomorrow".

WHAT HE OFFERS YOU:

Peter shares his focus on the consumer adoption of technology, on the impact of the networked digital society and on the alignment between business and IT. Through disruptive, organisational and digital inspiration, he helps audiences survive the fast-flowing network our environment has become and shows them how they can thrive in it.

HOW HE PRESENTS:

Peter is a born entertainer, mixing humour with personal anecdotes and insights in the way IT and business work.
