## IN DETAIL:

Scott was elected to the World Economic Forum's Global Leaders of Tomorrow and has served on the boards of directors of Eddie Bauer (Nasdaq: EBHI), The New York Times Company (NYSE: NYT), Urban Outfitters (Nasdaq: URBN), and UC Berkeley's Haas School of Business. He launched a TV show on Vice called "No Mercy/No Malice", which explores the effects that the pandemic and social unrest has on the economy and offers up a unique perspective of how we come through this stronger. He is the bestselling author of *'The Four: The Hidden DNA of Apple, Amazon, Facebook, and Google'* and *'The Algebra of Happiness'*.

## WHAT HE OFFERS YOU:

Professor Galloway has an inspiring agenda on thought leadership, next-level growth strategies, and he looks carefully at the pandemic's implications on society, the markets, and business. He discusses creative solutions in health tech, higher education, transportation, financial technology, and related fields that will shape the next decade and beyond.

## HOW HE PRESENTS:

Scott's high content tailored presentations are always well received. The Professor is an innovative leader, branding mastermind, and renowned global public speaker.
