### IN DETAIL:

Sean was diagnosed with two deadly and unrelated forms of cancer, at the age of thirteen and again at the age of sixteen. After an incredibly poor prognosis, and being read his last rites, Sean astounded the medical community when he survived both these brutal diseases. As the first cancer survivor to conquer Everest, Sean decided to continue climbing and has since topped the highest peaks around the globe, completing the "7-Summits". Upon skiing to both the South and the North Poles, Sean completed the Explorer's Grand Slam. With the completion of the Ironman World Championship in Hawaii, Sean is the only person in history to accomplish these inhuman feats.

### WHAT HE OFFERS YOU:

Incorporating tips and tools used to make history, Sean guides audiences not to success, but to the underlying deeper understanding of constantly succeeding, helping to Redefine YOUR Impossible. Everyone has an empowering story, a unique perspective, and the potential to change their world. Sean guides you to your meaning and Personal Leadership to create a mindset for greatness.
